

LD-901

A0 BLUE-PRINT & MAP FOLDING MACHINE

- MOST USER FRIENDLY
- UP TO A0 DOCUMENTS
- FOLD MARKING TRAY FOR CROSS-FOLD POSITION
- FRONT LEVER FOR CLUTCH RELEASE
- 3 YEARS WARRANTY

Shelf for storing the folded documents

Fold position marking tray for cross-fold position

Wall mounted bracket for hanging the sheets to be folded

The LD-901 map folding machine will save you a lot of time. Very easy to use, just introduce the map in the machine, put the lever back and forward a few times and the map is folded. The clutch release lever is situated at the front side, the folded map can be taken off without to step aside. With the special folding pocket the cross folding is achieved very quickly. The LD-901 comes with a wall sheet holder in order to carry the documents to be folded and a delivery tray for the folded maps, no need for a table. The user can go on working without moving. The LD-901 is very strong and will last form many years. You will not be able to miss it anymore.
