

# LDC-1000

## COMBINED BLUE-PRINT FOLDING & CUTTING MACHINE

- two machines in one
- space saver : the paper trimmer is stored under the folding machine
- most user friendly
- tray for marking the cross fold position
- stand, wall blue-prints hanger and storage shelf for folded documents included
- 3 years warranty (\*)

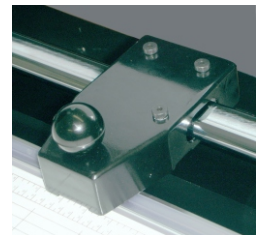

Storage shelf for folded blue-prints

Tray for marking the crossfold position

Wall blue-prints hanger for not yet folded documents

Chariot de coupe avec lame rotative auto-affutante

The combined blue-print folding and cutting machine LDC-1000 is integrating a blue-print folding machine (model LD901) and a large paper trimmer (120cm) in one unit. The paper trimmer is sliding under the folder when it is not used and is saving a lot of space.
