

LOW PRICE MANUAL PAPER CARDBOARD A4 CREASING MACHINE CYKLOS KSL-320

Model : -

CHEAP PAPER, CARDBOARD AND PHOTOS CREASING UP TO 320MM The manual A4 creasing machine Cyklos KSL-320 is for creasing cardboard, paper, photos and laminated documents.

Low price but very strong.

Very convenient for creasing delicate documents such as photos, digital printed documents or laminated documents.

No cracks on the paper when creasing dark surfaces.

The two mobile paper guides are lifting up when positioning a document.

Most easy and fast.
